Re: ***United States v. Sivendran Vettivetpillai*, 19 Cr. 233 (SN)**  
**Request to Adjourn the Satisfaction of Remaining Bail Conditions**

Dear Judge Netburn:

We represent defendant Sivendran Vettivetpillai in the above-captioned matter. With the consent of the government, we write to request an additional two-week adjournment for the satisfaction of remaining bail conditions currently scheduled to be completed by August 23, 2021. This is Mr. Vettivetpillai's second request to adjourn the satisfaction of remaining bail conditions.

We make this request of the Court to enable Mr. Vettivetpillai and counsel to schedule and finalize one remaining co-signer for Mr. Vettivetpillai's surety bond. In addition, Mr. Vettivetpillai through counsel is working to close the extradition proceedings that had previously been opened in England, but may be mooted by Mr. Vettivetpillai's plea with the government here.

Thank you for Your Honor's consideration of this request.

Respectfully submitted,
